

Performance Analysis & Improvement Process

- **Step 1:** Analyze System Performance
- **Step 2:** Identify Factors Contributing to System Performance Results
- **Step 3:** Design and Implement Improvement Strategies
- **Step 4:** Monitor and Evaluate Strategies

- Step 1: Analyze System Performance
- Step 2: Identify Factors Contributing to System Performance Results
- Step 3: Design and Implement Improvement Strategies
- Step 4: Monitor and Evaluate Strategies

Performance Analysis & Improvement Process

- Step 1: Analyze System Performance
- **Step 2: Identify Factors Contributing to System Performance Results**
- Step 3: Design and Implement Improvement Strategies
- Step 4: Monitor and Evaluate Strategies

Step 2: Checklist

- Dig deeper into quantitative data*
- Gather more evidence to interpret the results*
- Understand the project-level, system-level, and external factors contributing to system performance*

- a. Context: Upstream disparities
- b. Length of time homeless
- c. % Exits to permanent destinations / unknown destinations
- d. Enrollment in Coordinated Entry
- e. VI-SPDAT scores

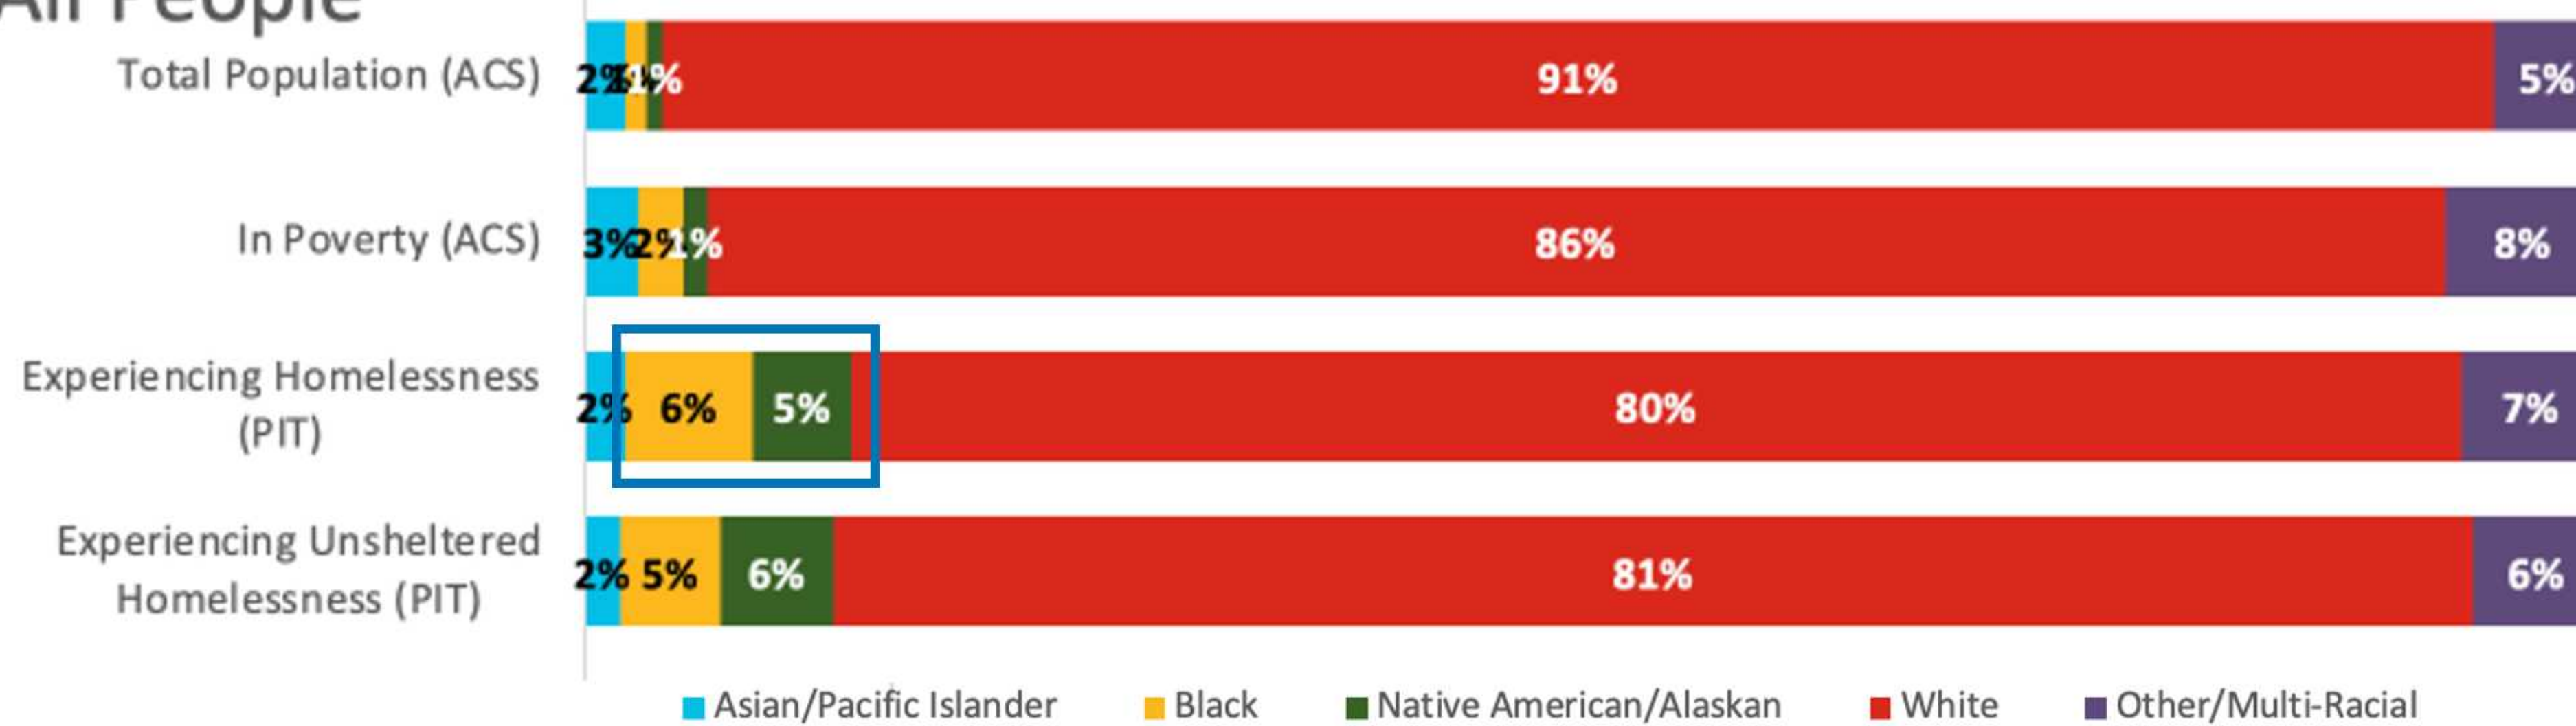

a. Context

Larimer and Weld Counties

- 2015 - 2019 ACS data
- 2022 PIT data

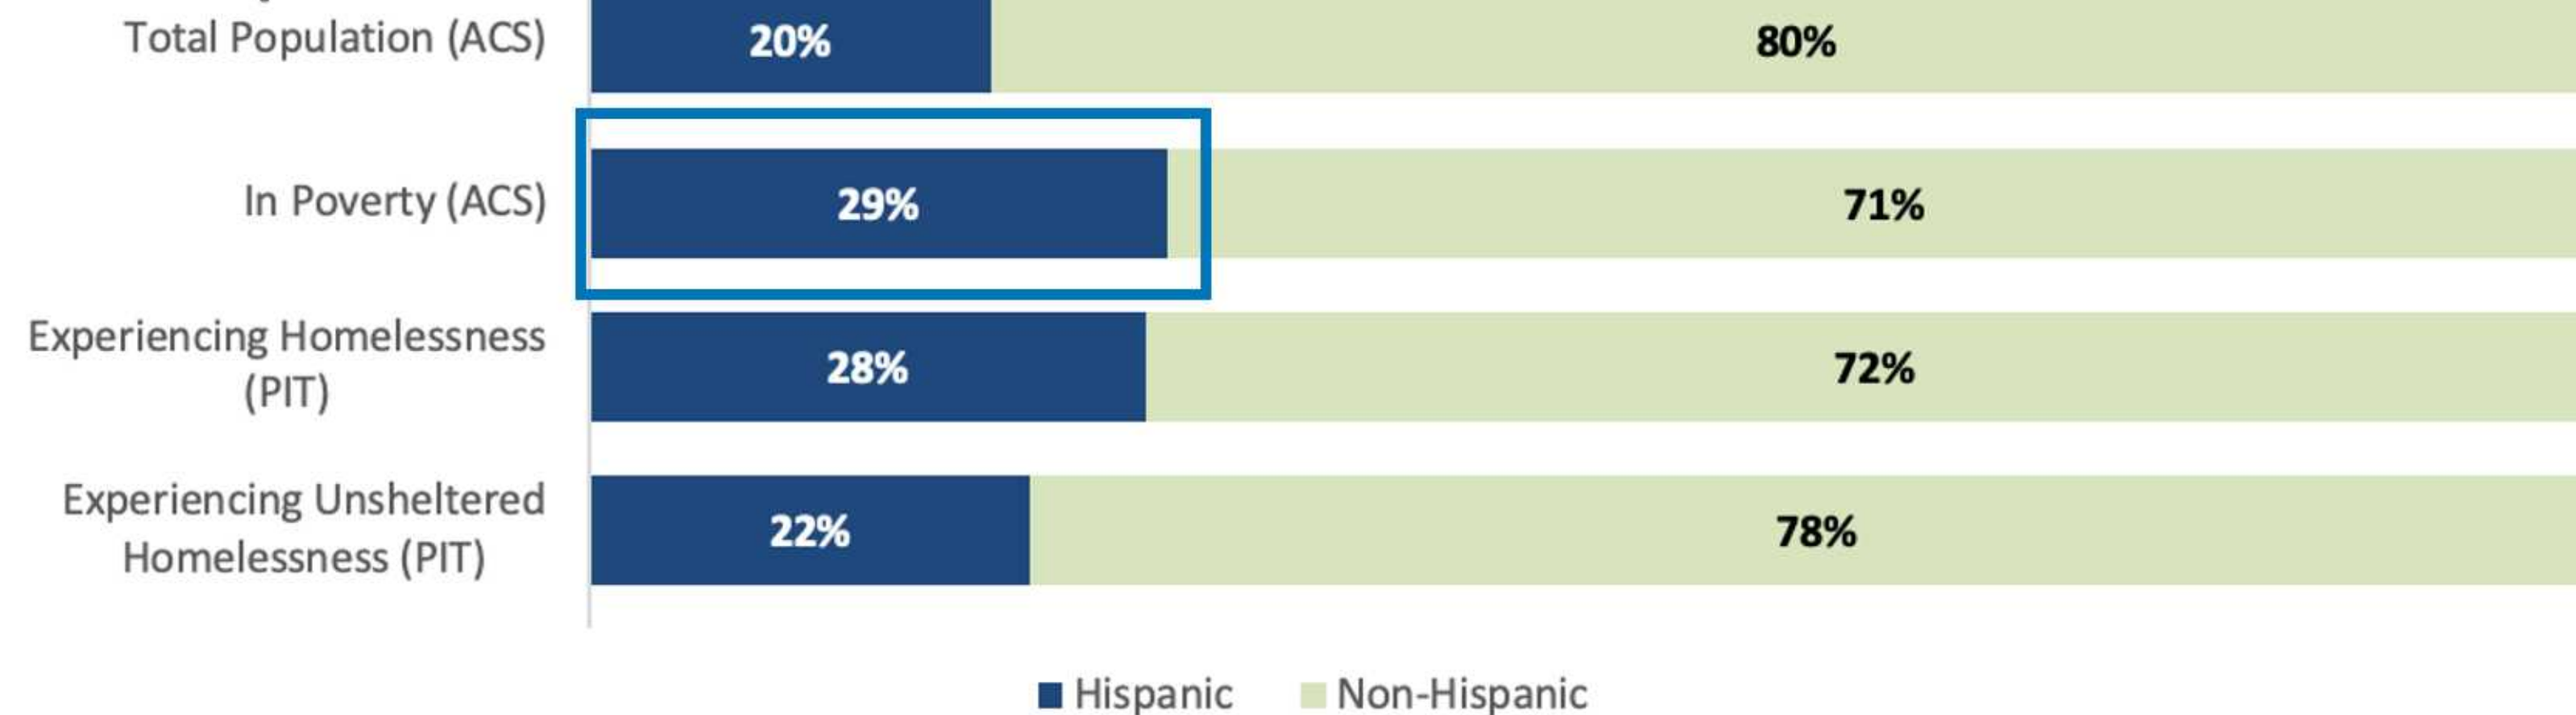

All People

All

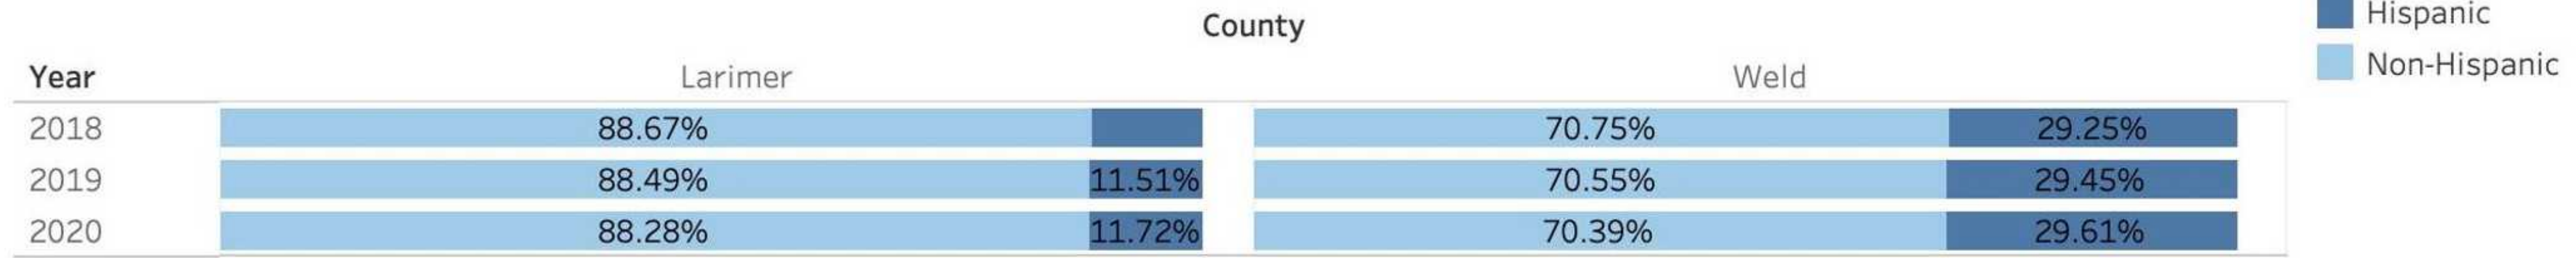

All People

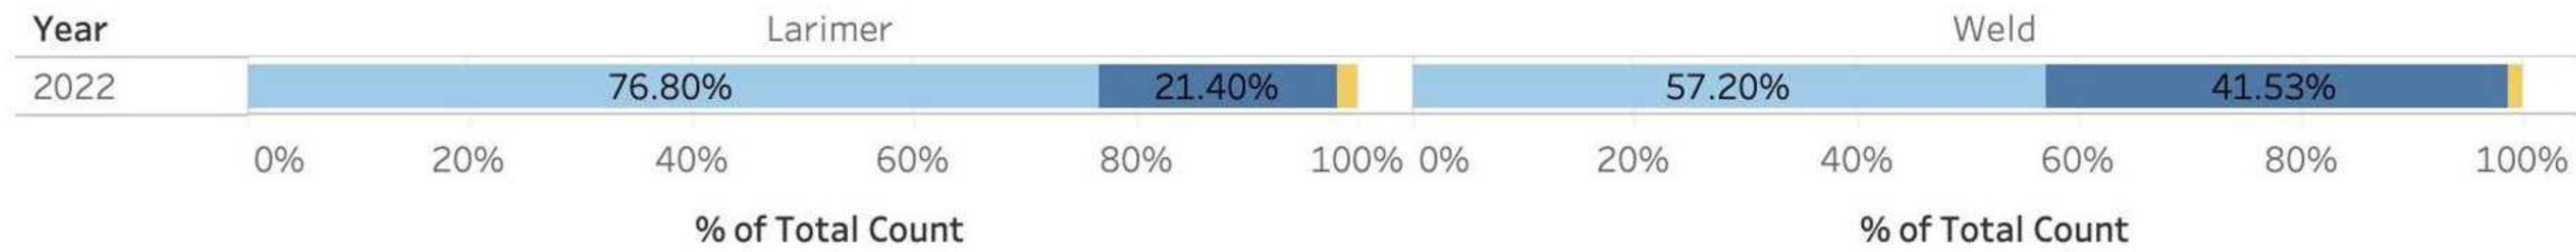

All

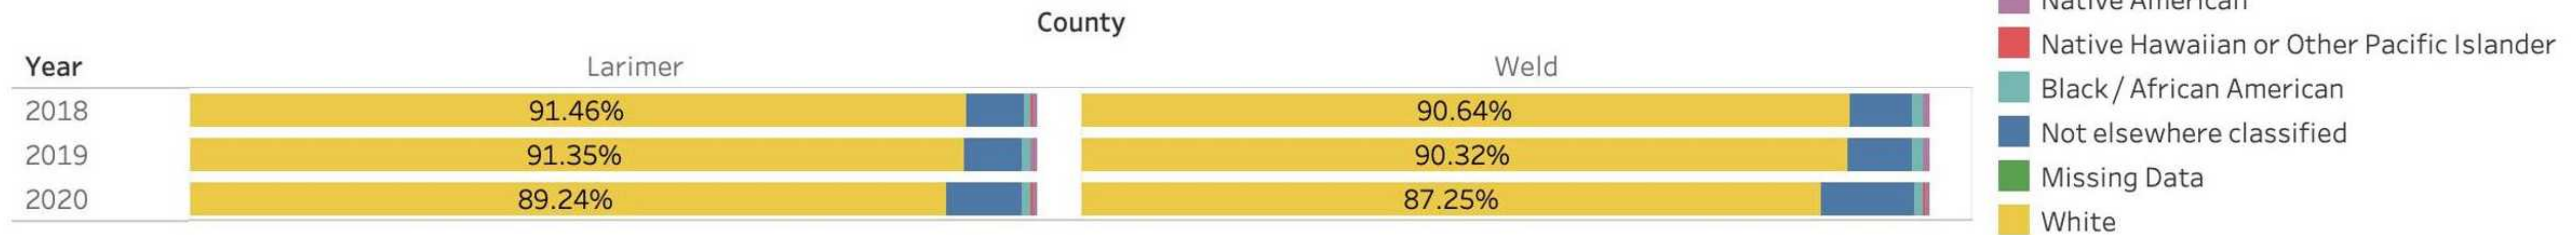

Ethnicity of Population by County over time (ACS 5 year estimates, end year shown)

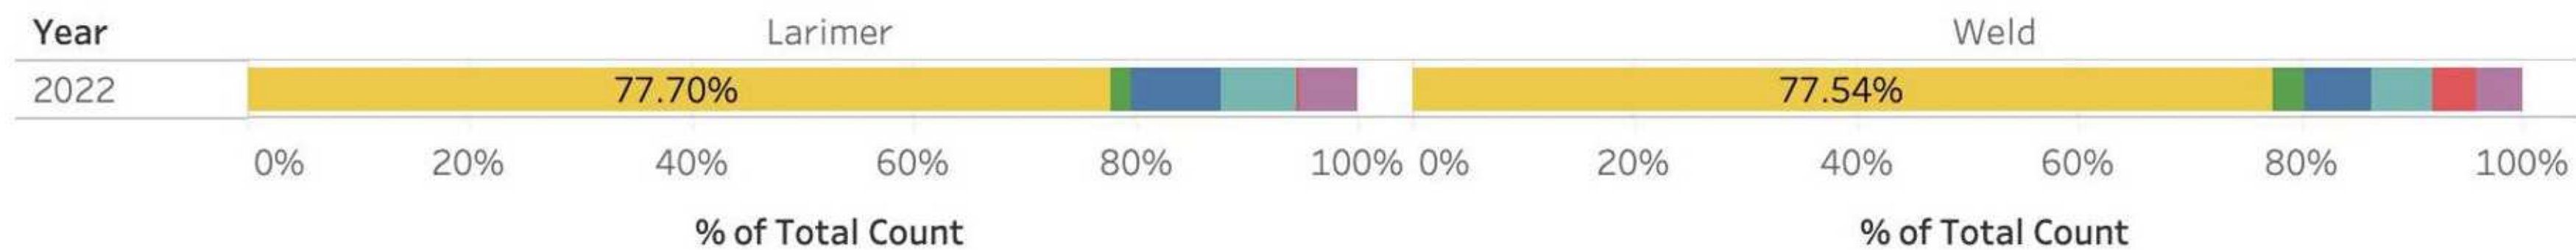

PIT 2022 ethnicity by county

Race of Population by County over time (ACS 5 year estimates, end year shown)

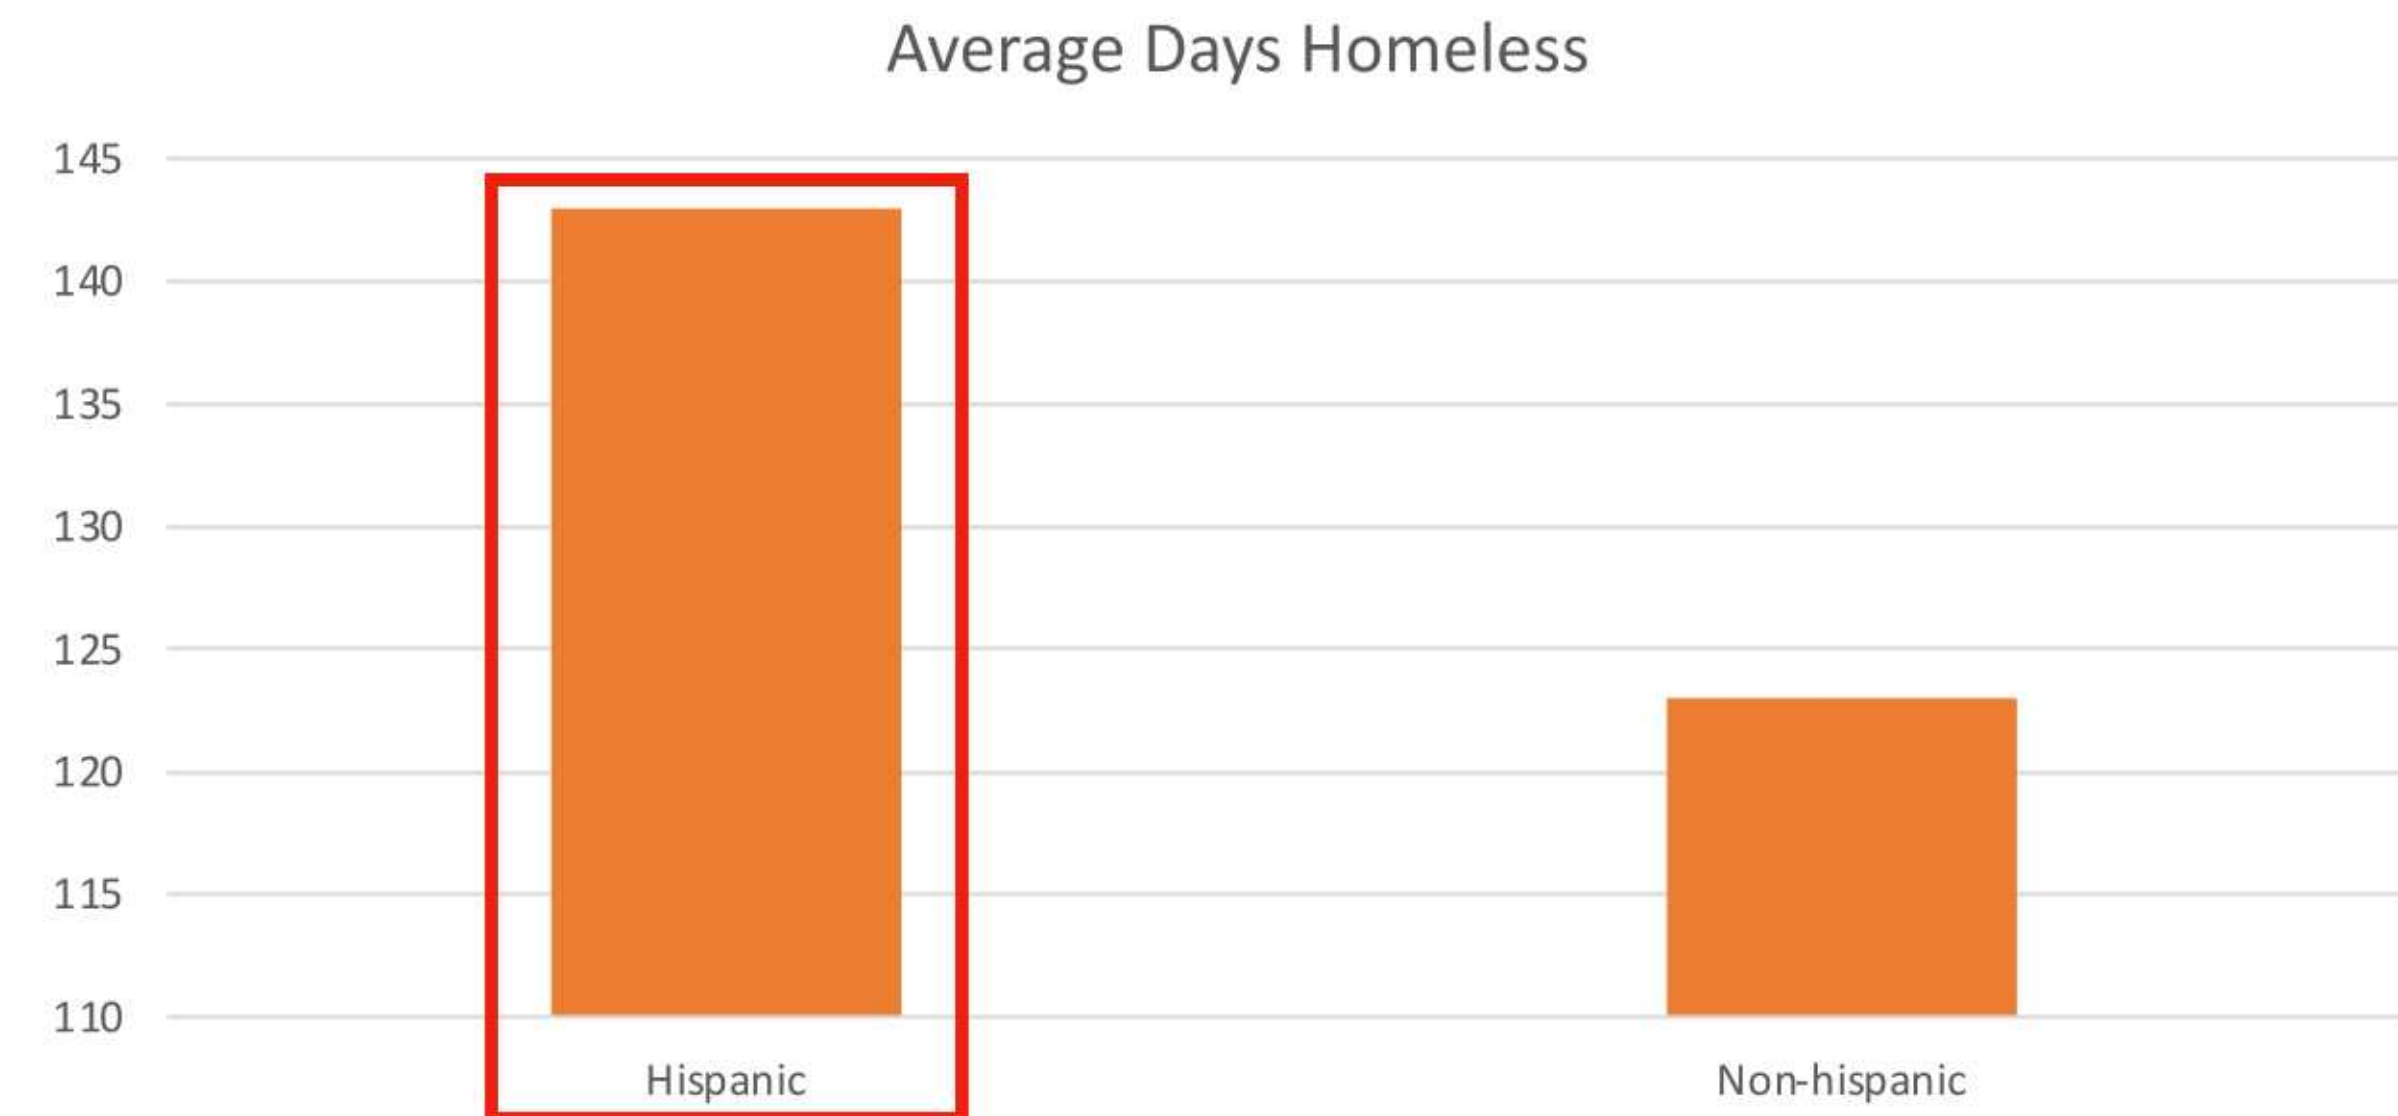

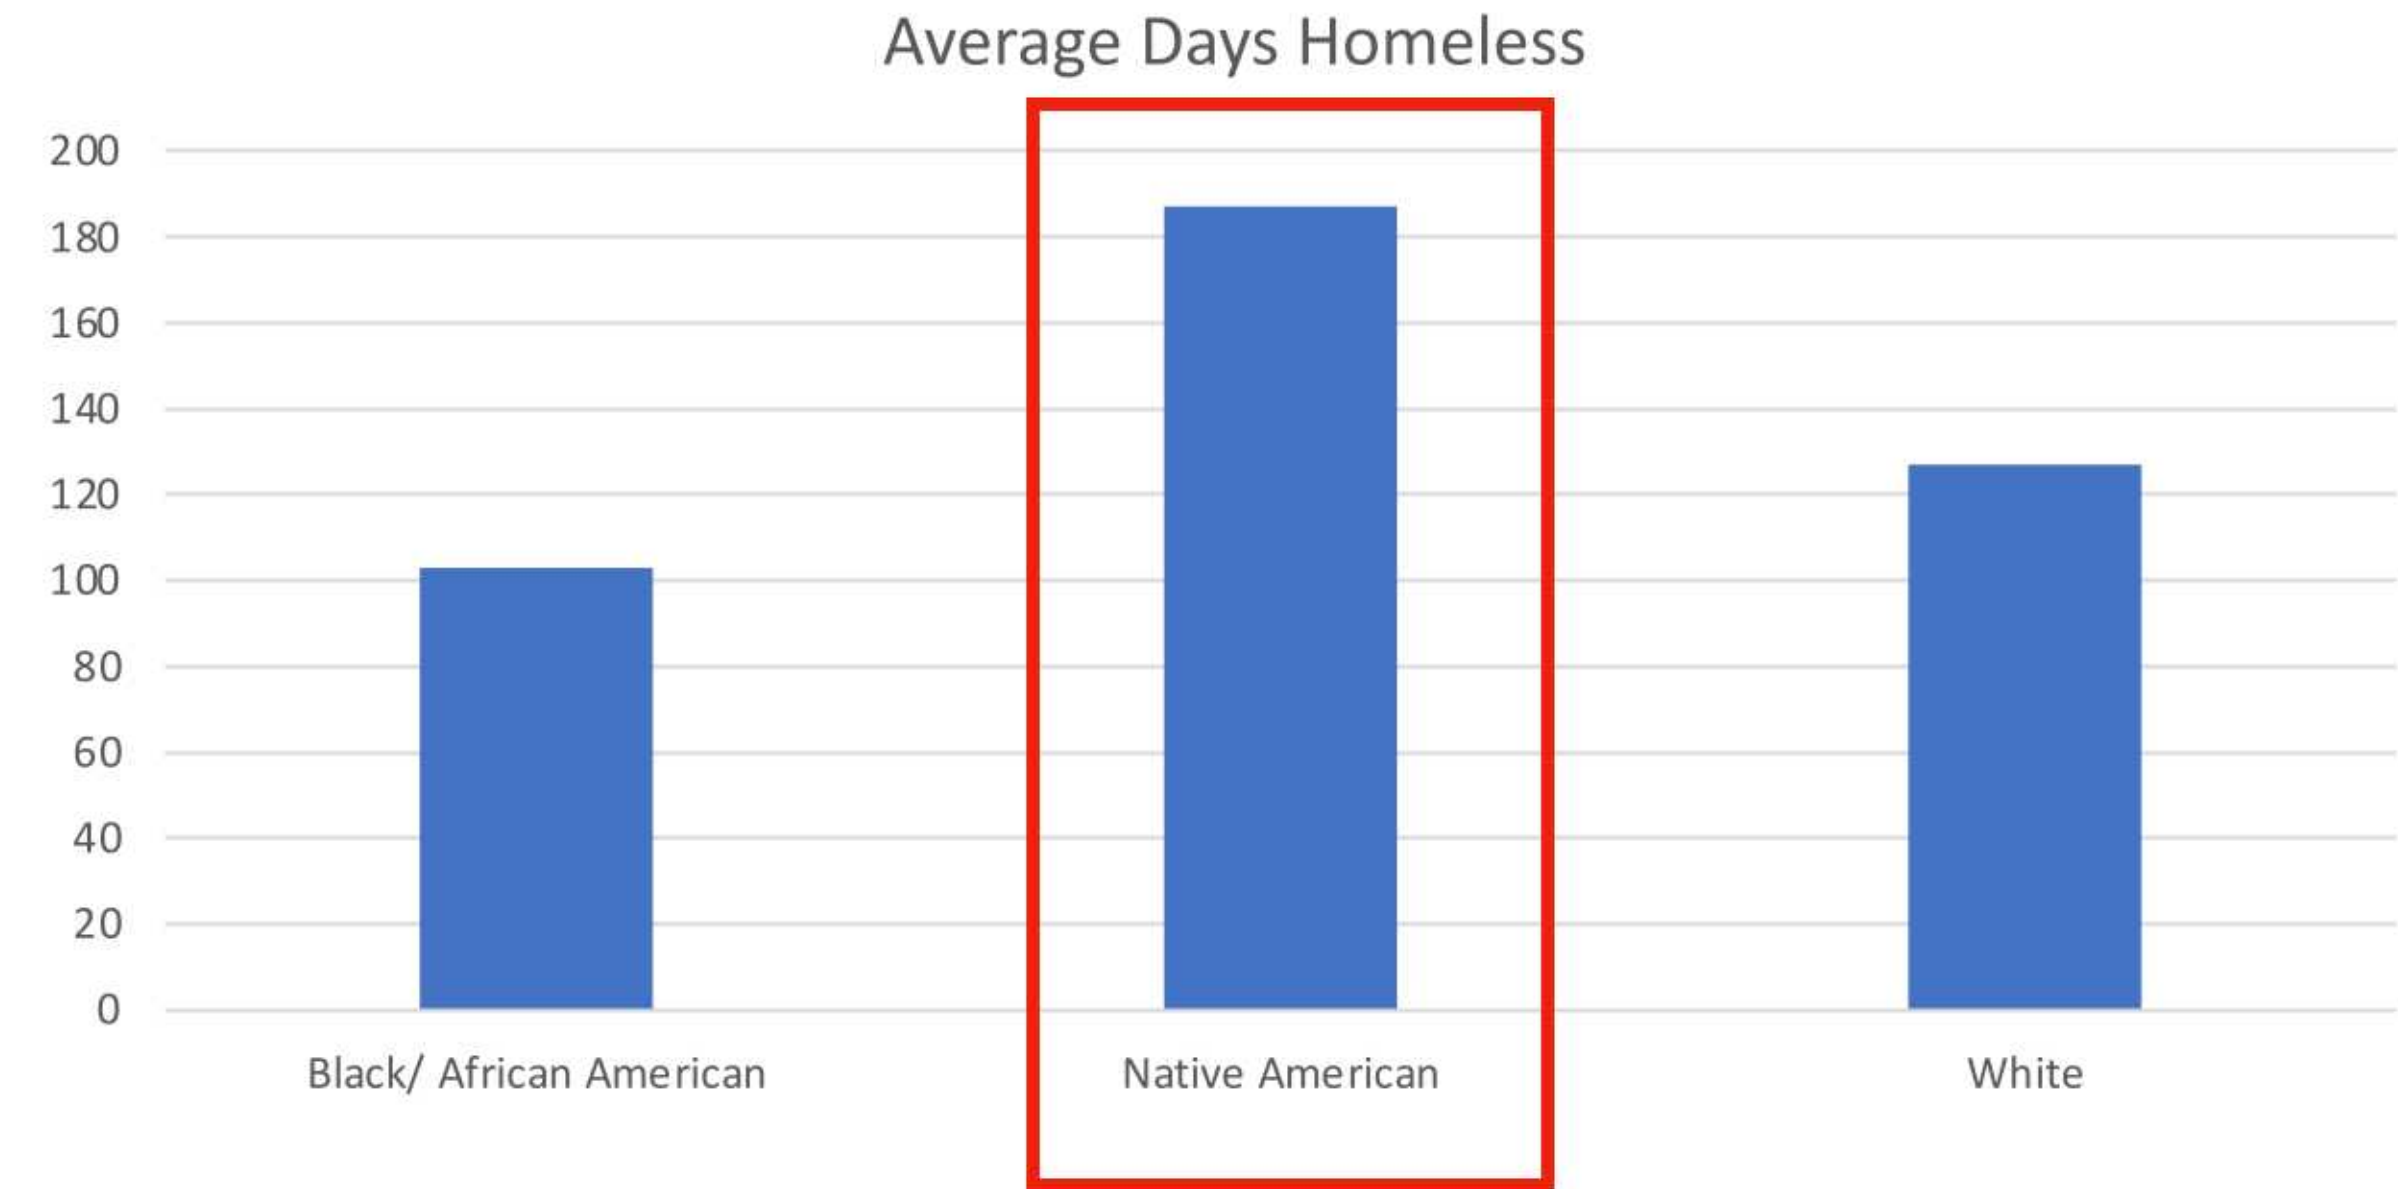

PIT 2022 race by county

b. Days Homeless

Household Type or Population Group	Number of Households with Days Homeless
Black/ African American	70
Native American	57
White	866
Hispanic	283
Non-hispanic	761

10/1/2020 to 10/1/2021

c. Exits to permanent / unknown destinations

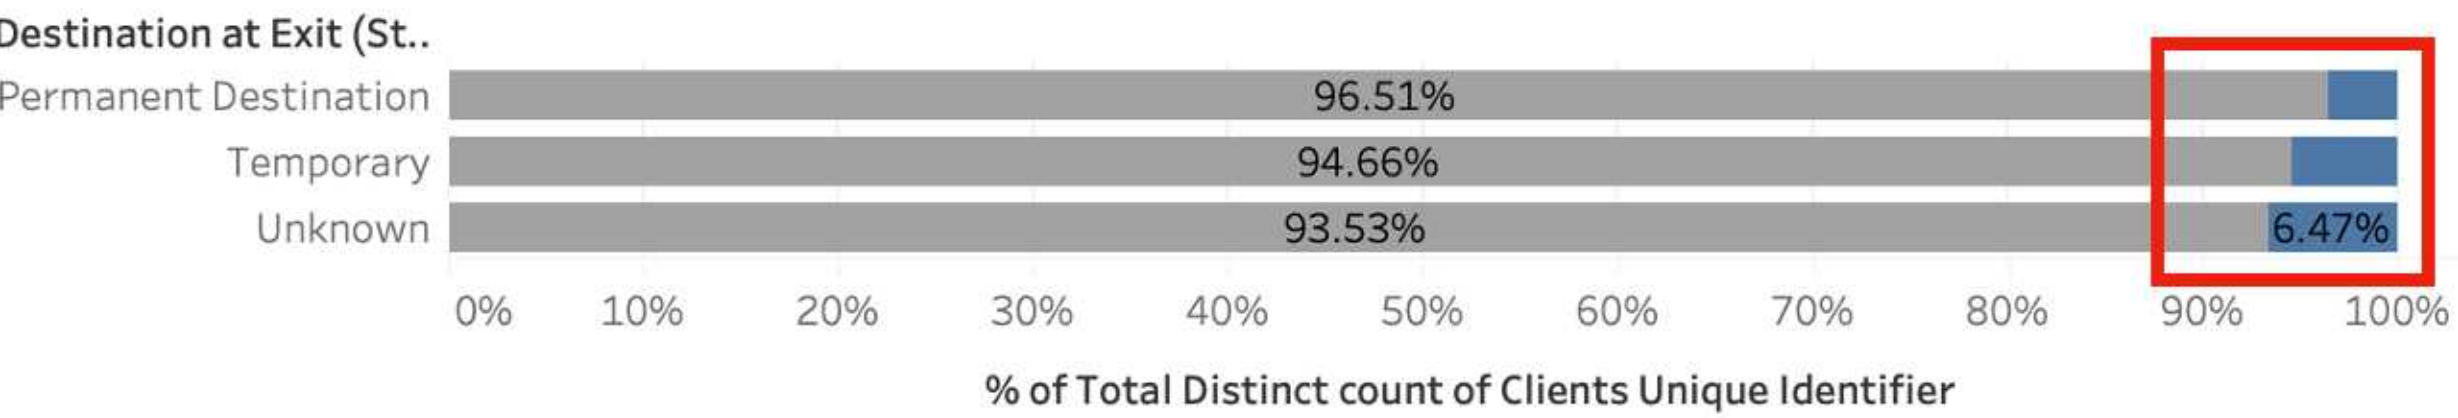

STELLA definition of “system exit”:

Someone who has exited their last enrollment from HMIS and has not enrolled in another project for at least 14 days

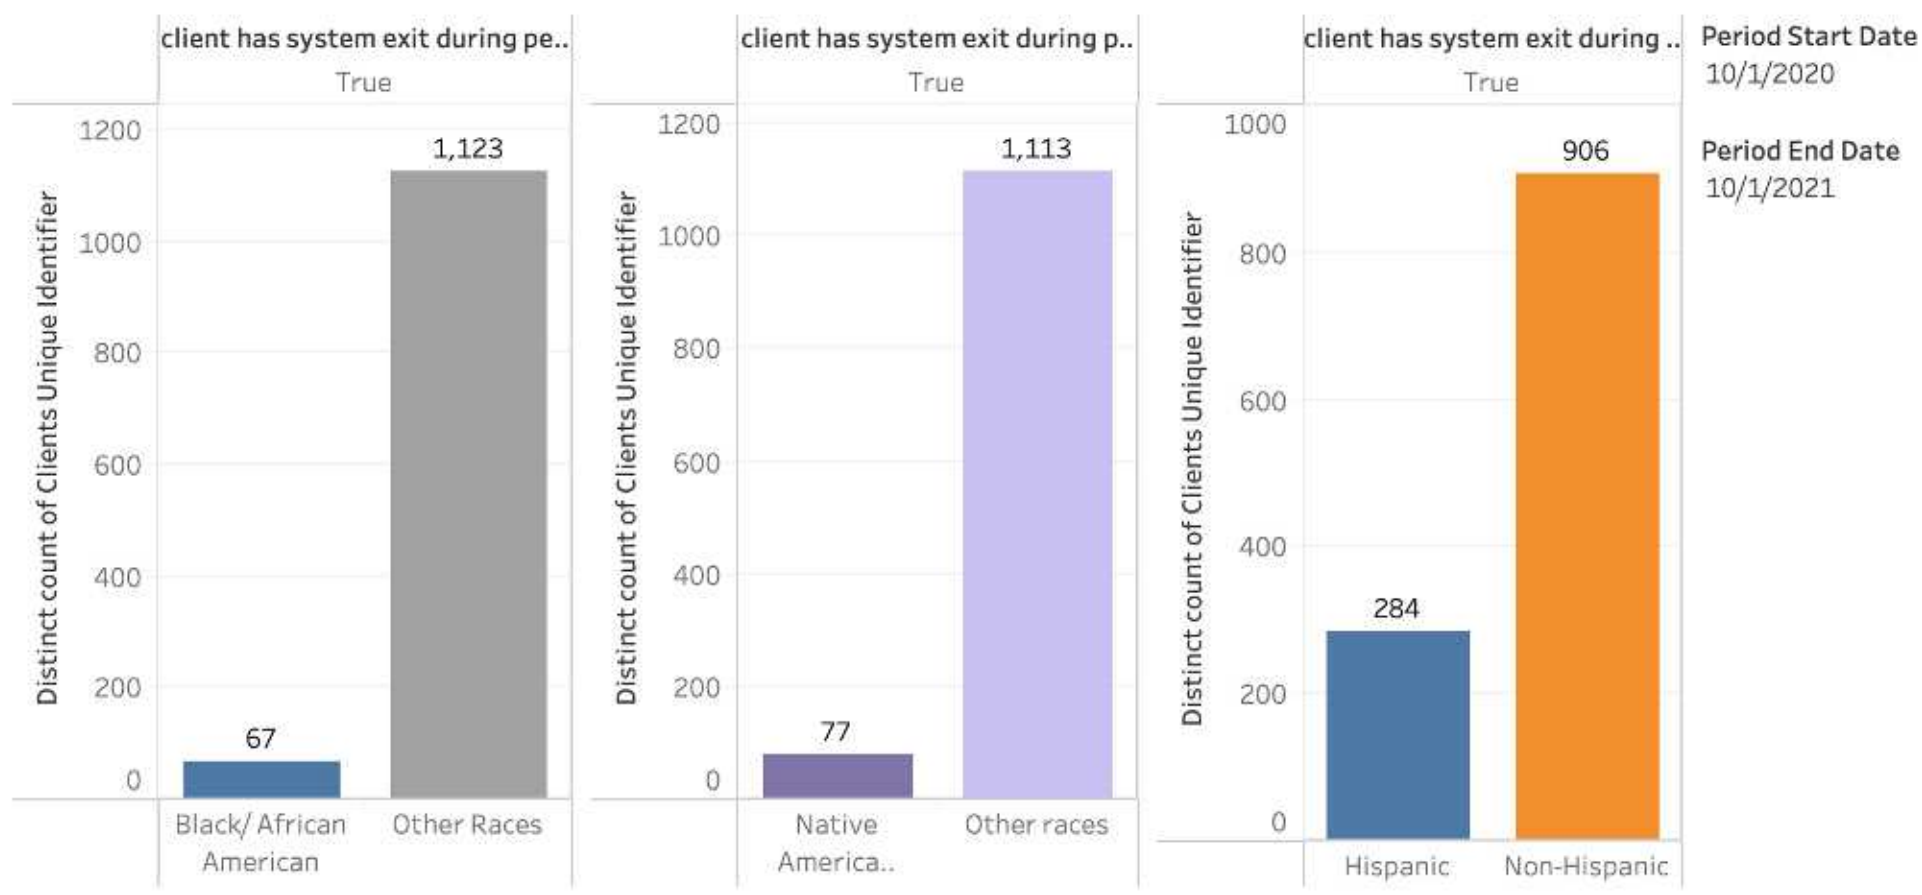

STELLA definition of “permanent destination”:

- rental (with or without subsidy)
- staying with friends/family (permanent tenure)
- owned by client

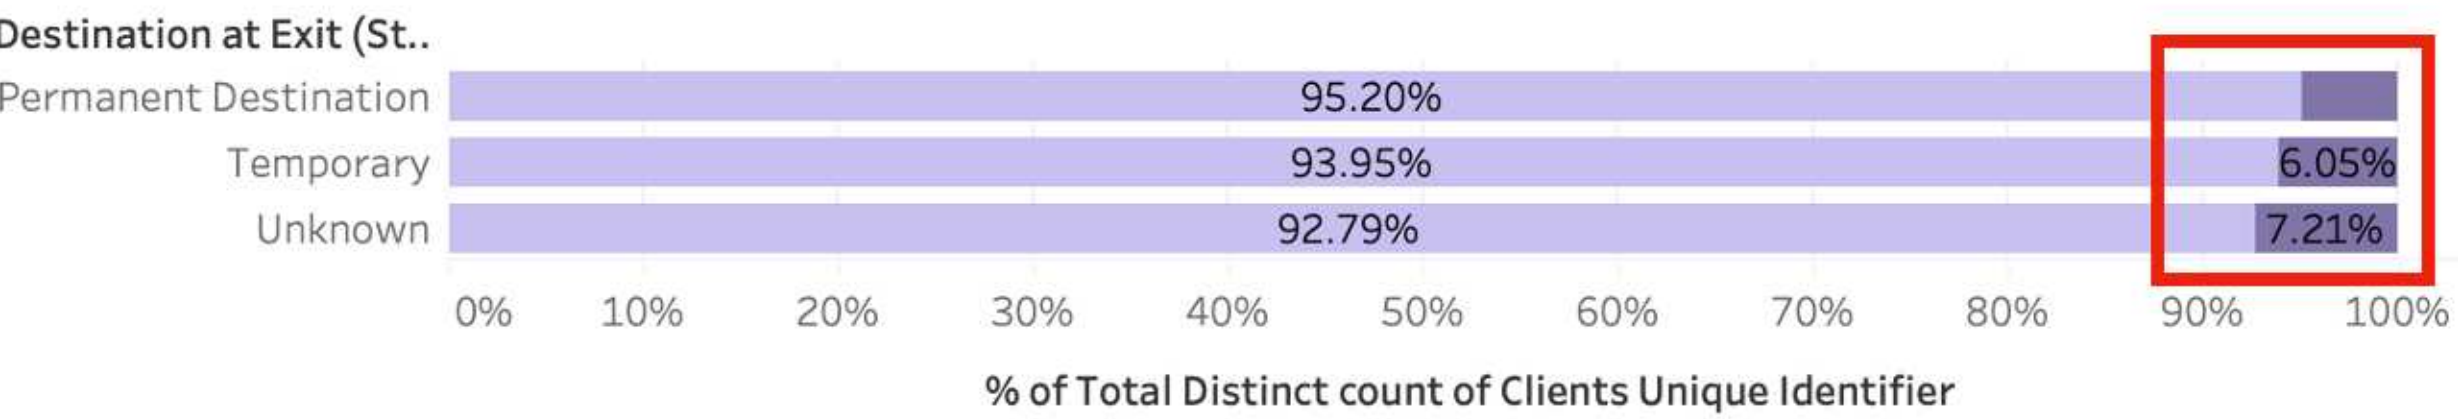

"System exit" during period by destination (Black/African American)

Race
 ■ Black/ African American
 ■ Other Races

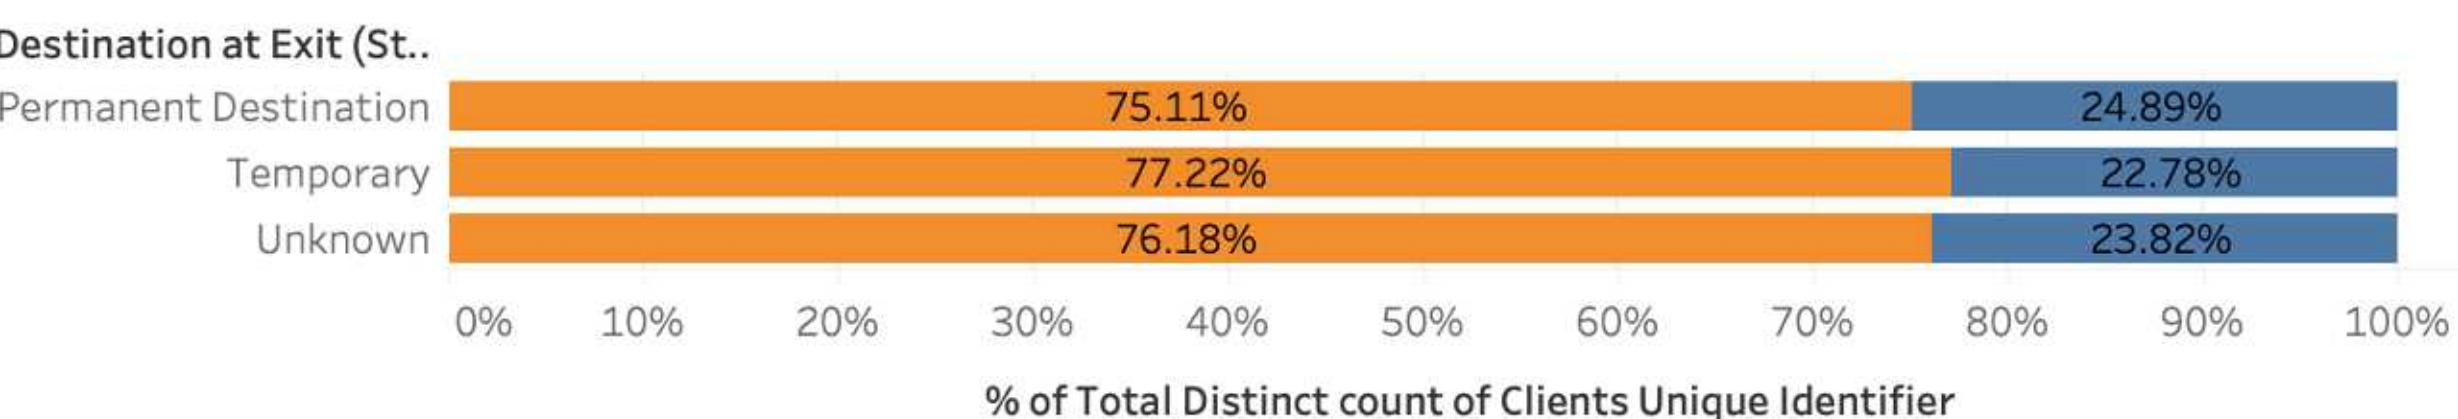

"System exit" during period by destination (Native American)

Race
 ■ Native American/ Alaskan Native
 ■ Other races

"System exit" during period by destination (Hispanic)

Ethnicity
 ■ Hispanic
 ■ Non-Hispanic

All project types except Homelessness Prevention and Services Only

10/1/2020 to 10/1/2021

d. Enrollment in Coordinated Entry (with enrollment in ES)

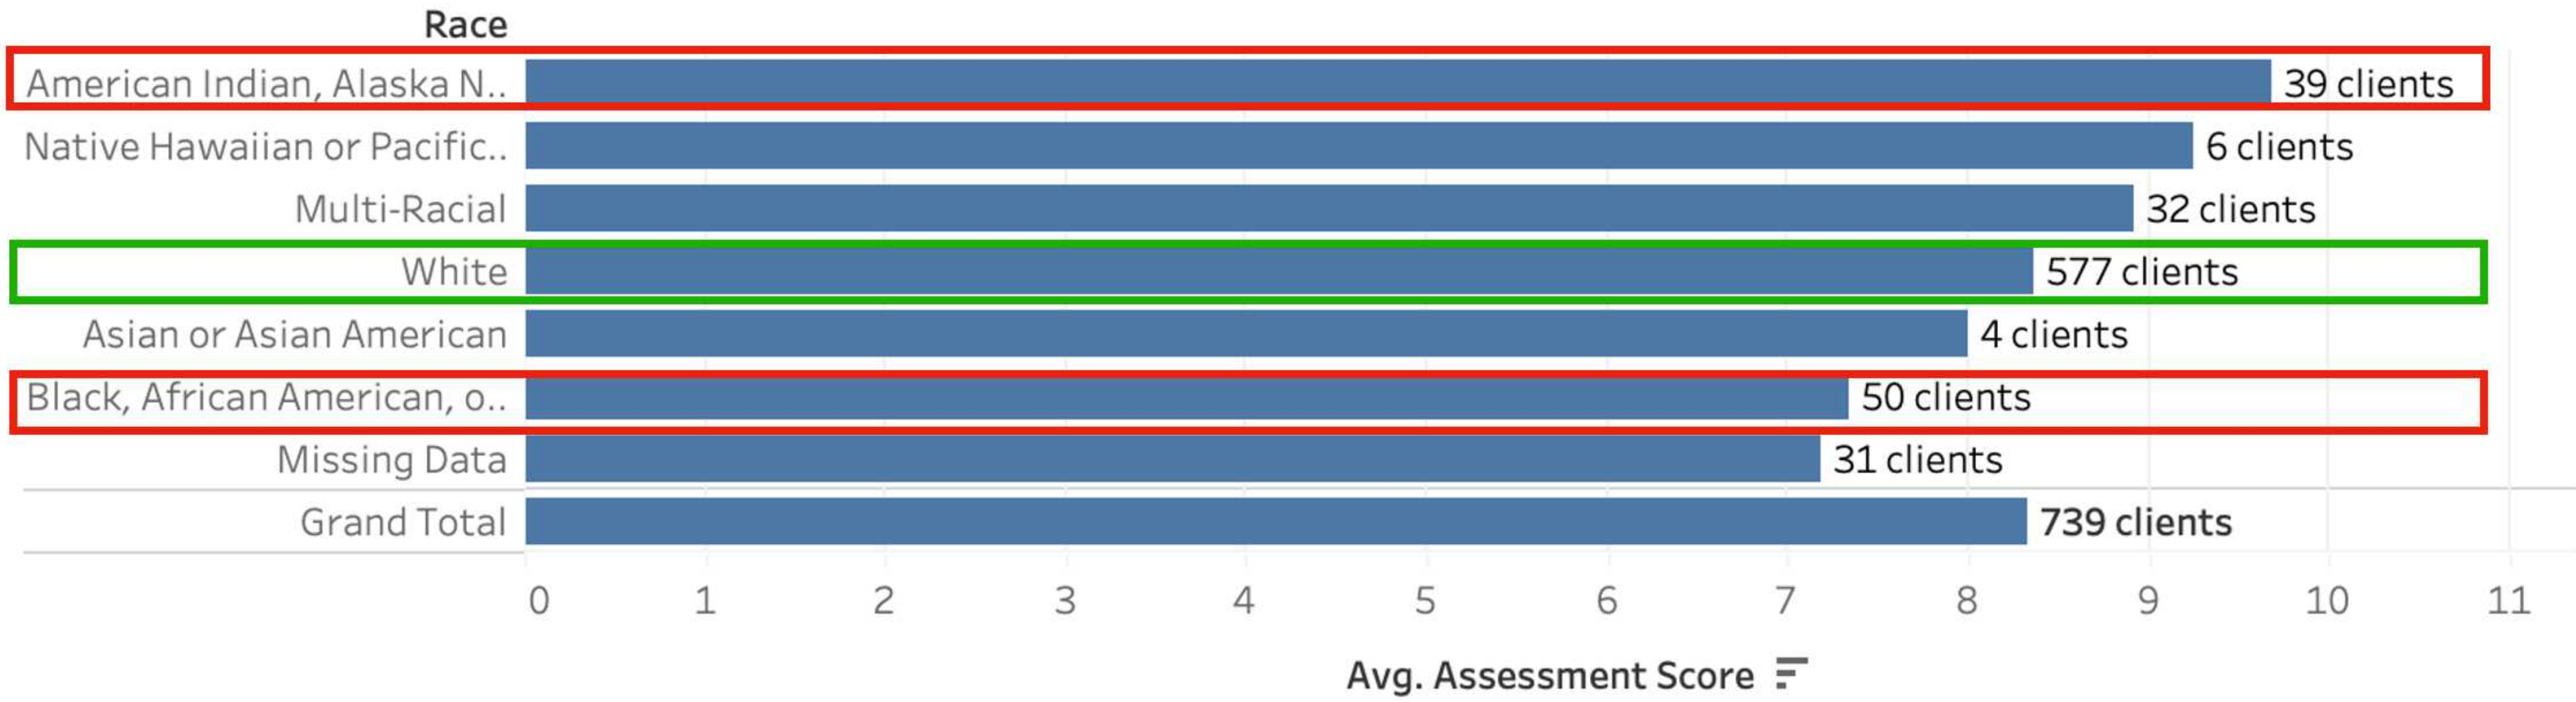

Clients in Emergency Shelters with Coordinated Entry enrollments

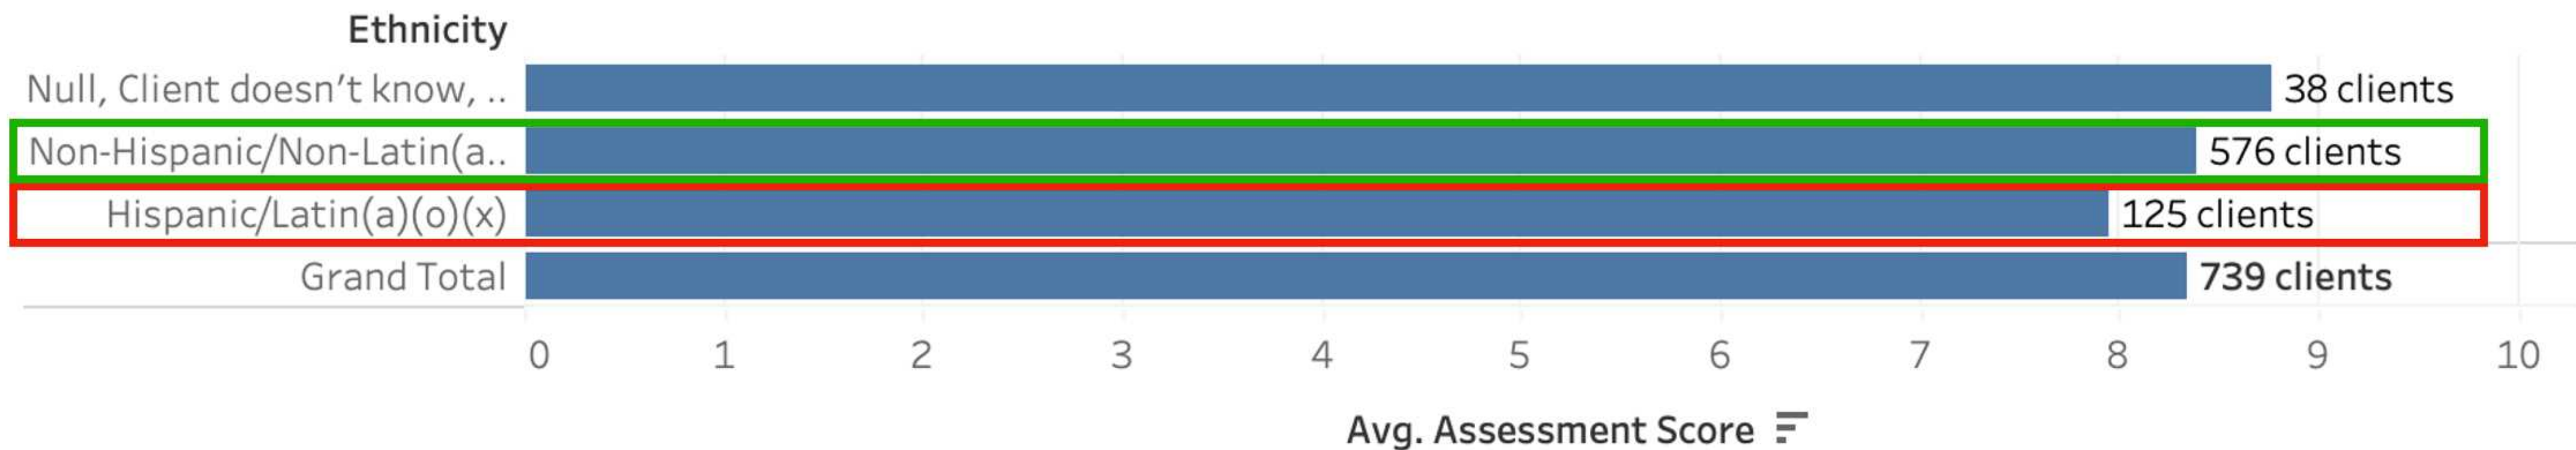

since
10/1/2020

e. VI-SPDAT scores

VI-SPDAT Score by race

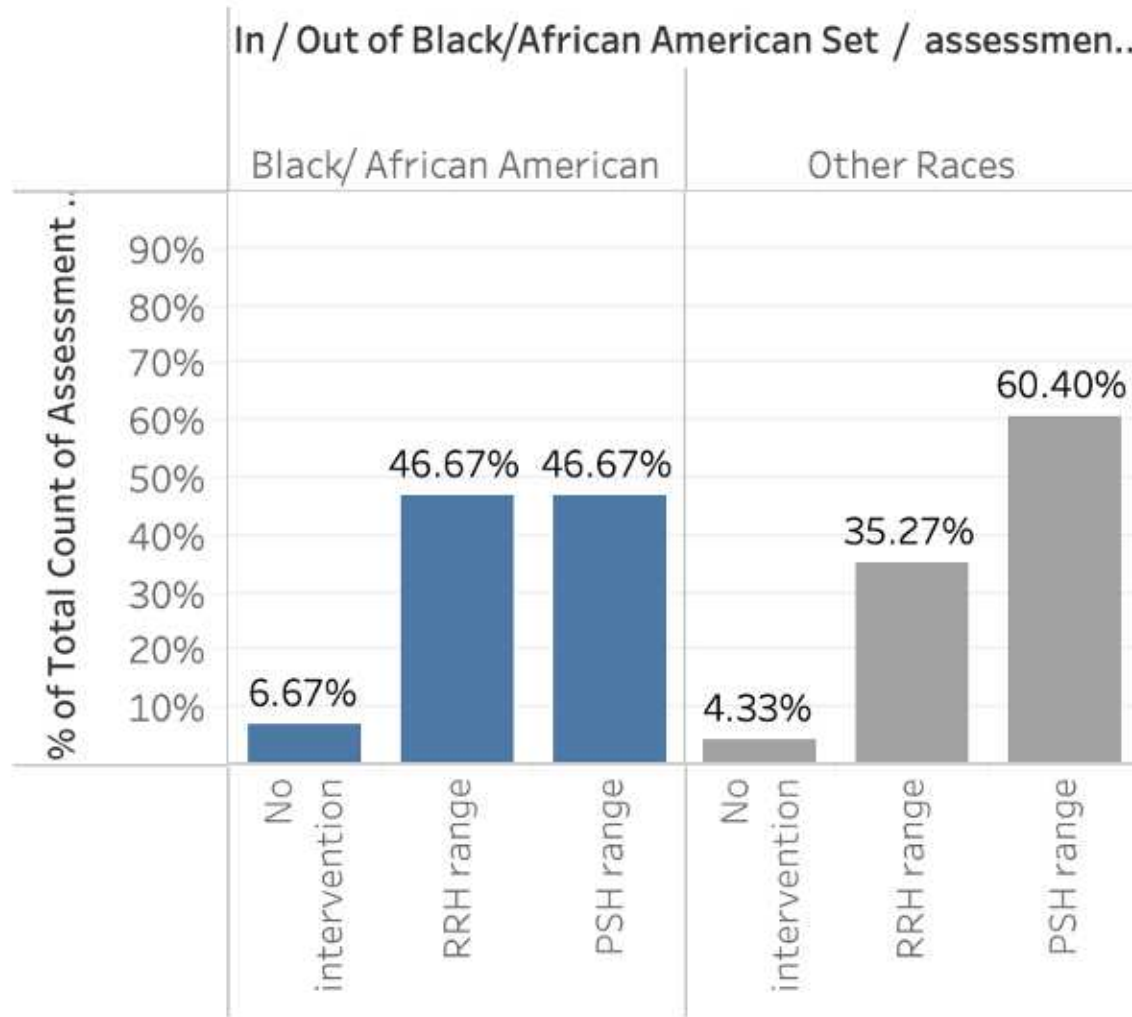

VI-SPDAT Score by ethnicity

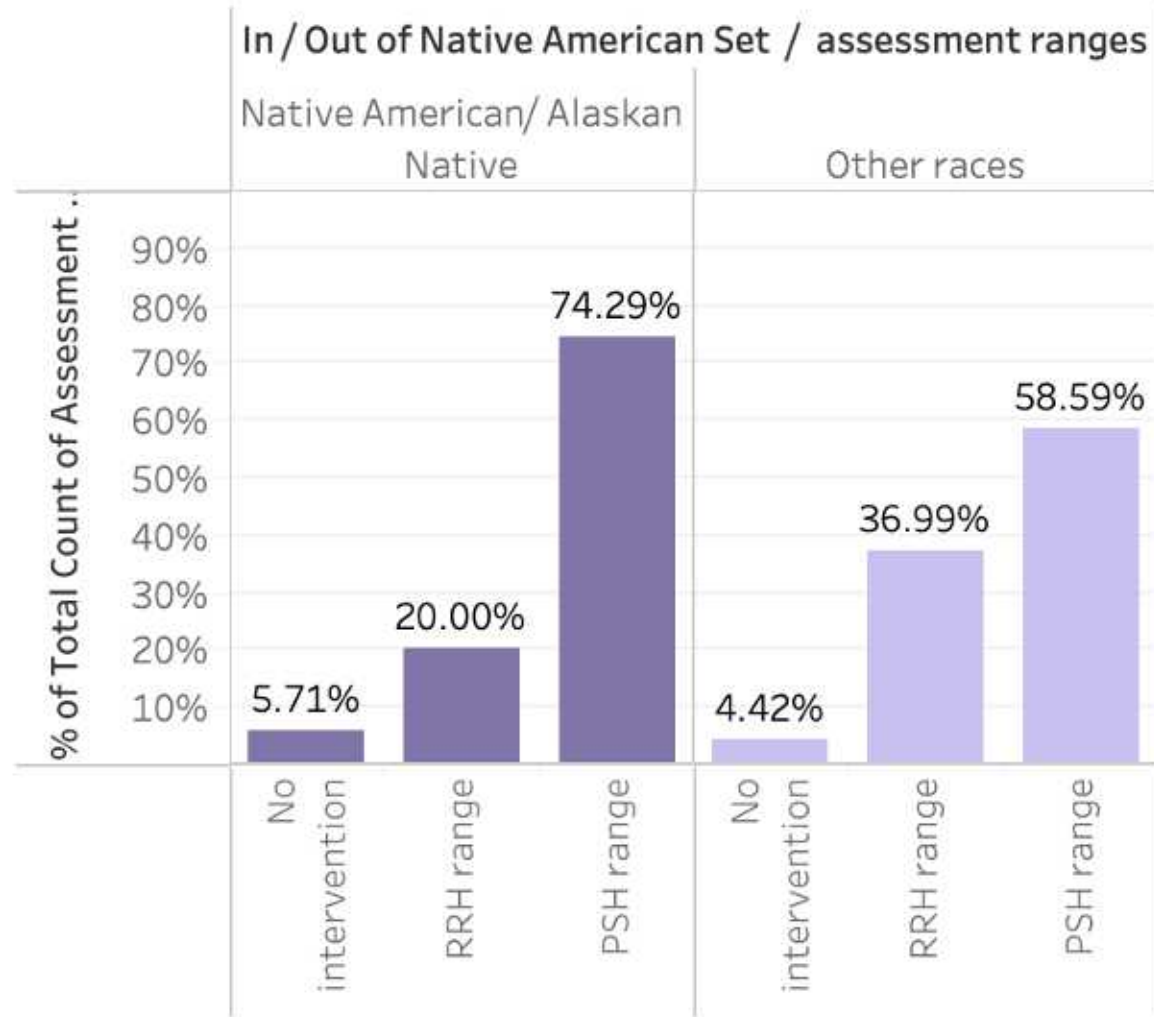

All scores in CAHPS

VI-SPDAT ranges (Black)

	In / Out of Black/African American Set / assessments

SCORING RANGE	COURSE OF ACTION
0-3	Assess for least intensive service supports
4-7	Assess for moderate and often time-limited supports
8+	Assess for high intensity supports lasting for longer duration of time and perhaps even permanently
